Director of Public Works

P.O. Box 1990
Santa Barbara, CA 93102-1990

Dear Ms. Anderson:

Enclosed are two originals of the updated Administering Agency-State Master Agreement No. 05-5007R covering the general requirements of all federal-aid projects for the implementation of projects and the maintenance of the completed facilities. This master agreement has been modified to reflect the new provisions of the Intermodal Surface Transportation Efficiency Act (ISTEA) as well as continuing applicability for the Transportation Equity Act for the 21st Century and the current Local Assistance procedures. We are requesting that all agencies sign this latest version.

Please sign both originals of this Agreement and return them to this office, Office of Local Programs - MS1. Alterations should not be made to the agreement language or funding. Attach your local agency's certified authorizing resolution that clearly identifies the project and the official authorized to execute the agreement. A fully executed copy of the agreement will be returned to you upon ratification by Caltrans.

Your prompt action is requested. No invoices for reimbursement can be processed until the agreement is fully executed.

Sincerely,

for RAY ZHANG, Chief
Office of Project Implementation - South
