Hi My Name is Julio Maganda.
The reason for this Letter is to ask
The Board of Fire and Police Commissioners to reconsider
the possibilty of reissuing me taxi
permite to allow me to continue Driving
My Cab. I enjoy working as a Cab Driver.
I also have the charges to help, to
get Home safe. I hope you all understand
that is not easy to find another Job.
with the Driving record I got. I understand
That's the reason for Denial. that why
I'm asking you all to reconsider to issue
