Santa Cruz Island Boat Trip

Sign up by May 22nd

The Junior Guard Program has charted two trips for Junior Lifeguards and parents to make a day trip to Santa Cruz Island. The boat will anchor in a sheltered cove where passengers will spend the day exploring the ocean and sea shore.

We will depart the Sea Landing at 6:30am and return at 5:00pm. The Sea Landing is located in the harbor adjacent to the sand at West Beach.

Bring a big lunch, swim suit, towel and warm clothes. If you have a wetsuit, fins, mask, snorkel, or kayak it is recommended that you bring it.

Two trips will be offered - July 10th and July 17th. We anticipate the interest in the trip will exceed the capacity of the boat. Therefore we are planning on doing a lottery for the spots available. If the trips interest does not exceed the capacity, your first choice will be granted.

Fill out the form below and turn it in before May 22nd. We will make attempts to keep families together on trips, though it is not guaranteed. Parents, if your son or daughter is selected to go it does not guarantee you will go. This is also the case if both parents sign up. To increase your chances feel free to sign up for both trips if your schedule permits. Non Junior Lifeguards (siblings) are not permitted on trip.

Trip Preference (circle one) - July 10th or July 17th

Wednesday, July 10th

Please include _____ in lottery
(child)

Please include_____ in lottery
(parent)

Please include_____ in lottery
(parent)

Wednesday, July 17th

Please include _____ in lottery
(child)

Please include_____ in lottery
(parent)

Please include_____ in lottery
(parent)

Submit this bottom section with a check for $40.00 made out to PARC for each child and adult interested in going. Checks will be returned to those not selected.
