Chapter 9.50

PROHIBITION OF ABUSIVE PANHANDLING

Sections:

9.50.010	Purpose.	9.50.040	Use of Public Benches and Facilities on Certain Streets for Active Panhandling.
9.50.020	Definitions.	9.50.050	Penalty for Abusive Panhandling.
9.50.030	Abusive Panhandling Prohibited; Specific Locations Where Active Panhandling is Restricted.		

9.50.010 Purpose.

In order to protect and promote the rights of the general public to be free from inappropriate conduct and from the potential physical confrontations sometimes associated with panhandling, the City Council finds that there is a need to adopt a City ordinance which imposes reasonable and specific time, place, and manner limitations on those forms of inappropriate and unlawful conduct which may be associated with aggressive panhandling. At the same time, the Council seeks to properly and duly recognize, as well as fully protect to the full extent possible, the First Amendment free speech rights of all concerned.

The Council also finds that balancing the need for public safety with the need to duly protect constitutional rights is especially critical in certain popular retail and visitor-serving areas of the City, such as Cabrillo Boulevard, lower Milpas Street, and certain blocks of State Street (those within the City Central Business District) since these areas are popular public gathering spaces and are often crowded with members of the public and visitors to the Santa Barbara area, and since these areas provide only limited public amenities, such as public seating and outdoor dining areas. The Council further finds that, because these areas of Santa Barbara often have thousands of visitors each day and because there is limited public seating and gathering areas available within these blocks of these streets, it is necessary and appropriate to provide panhandling regulations which prevent some persons from monopolizing the use of a public bench or a public seating area for active panhandling. There is therefore a necessity for the City Council to adopt City regulations which provide for the shared and reasonable use of these public facilities by all members of the public, especially the elderly and persons with special access needs.

Finally, the City Council believes that these City panhandling regulations will not prevent those persons who wish to properly solicit alms or charitable donations from appropriately using public benches and public seating facilities within these areas of the City for temporary respite purposes, nor will these panhandling regulations impact the content of any protected forms of expressive statements made by a panhandler or otherwise improperly restrict anyone's First Amendment rights. (Ord. 5499, 2009.)
