Dear Mr. Bailey:

Thank you for the opportunity to coordinate on amending the City bus stop ordinance. MTD is supportive and appreciative of the ordinance to ensure MTD buses can load and unload passengers at bus stops designated for MTD use. MTD looks forward to working with the City Transportation Engineer when it is deemed necessary to allow other buses public or private in using such stops. Please do not hesitate to contact me at (805) 963-3364 if you have any questions or concerns.

Sincerely,

  
Jerry Estrada  
General Manager
