GENERAL BUSINESS:

A. Public Comment:

No public comment.

Motion: Continued to the Planning Commission with comments:

Proposal:

1. The project as proposed is not acceptable.
2. The thoroughness of the AUD and solar presentation is appreciated.

Setbacks:

3. The proposed setbacks from the street are appropriate and extremely important, but they are too narrow.
4. The side and rear setbacks from the historic resource are not appropriate for this site.

Size, bulk and scale:

5. The size, bulk and scale are not appropriate for this site.
6. The proposed height is not compatible with the surrounding neighborhood with its one and two story buildings. The Commission finds the fourth story is unsupportable.
7. The massing needs to be reduced.
8. The density of the proposed number of units should be appropriate to the site, neighborhood, and adjacent historic resources not withstanding what the AUD would allow. The AUD should be appropriately applied to this site and the neighborhood.

Architecture/Design:

9. The design is too contemporary and should be restudied.
10. The architecture should be compatible with the historic context. The project should respect the adjacent historic resources and should be compatible with the neighborhood.
11. Restudy the courtyard concept. Look to the historic El Paseo’s courtyard for inspiration.
12. The north elevation should be treated as a primary elevation and not as a back-of-house. It is viewed from a significant historic resource and is adjacent to Anacapa School which is diminutive in scale.

Landscaping:

13. The loss of landscaping is of concern. Significant trees on the site should be retained. Landscaping should be used to tie the project into the neighborhood.

Mixed-Use:

14. The multi-use aspect, especially the commercial component, should take into consideration the amenities of the neighborhood and the project, and the needs of future residents.

Action: Winick/Drury, 7/0/0. (Murray/Veyna absent.) Motion carried.

- 4) Standardize and minimize the size of the newspaper and magazine logos and contact information as much as possible, to be placed only on the front centered bottom portion of the boxes so as not to be seen from the street.
- 5) A majority of the Board found supportable an overall Malaga green color, including support post.
