ENGINEERING

January 29, 16

Dear Mayor Helene Schneider and members of City Council,

For the last 12 years, the Land Shark has conducted daily city and harbor tours departing from State Street at Stearns Wharf.

As you may know, due to the on going Cabrillo Boulevard Bridge Replacement Project, both the Land Shark and the Trolley Company's loading and unloading location was needed during the 2+ year construction process.

For the past year, the Land Shark has been loading and unloading passengers from the West Beach area, at 99 West Cabrillo Blvd., the south side of Cabrillo Blvd., just west of Chapala street, across from the Veterans Memorial Building.

Due to the fact that the bridge replacement project is expected to continue for at least another year before its completion, and the previous loading and unloading location that we used will not become available until then, I kindly request continued preferential loading, unloading and temporary parking at the current West Beach location of 99 West Cabrillo Blvd.

We currently operate seven days a week weather permitting, from 10am to 6pm.

Respectfully,

Andre Manoux
