At the library, services to residents and visitors include free Internet access, free WiFi access, assistance with reference inquiries, teen programs, story times and literacy-based programs for children, and interlibrary borrowing. Added services are available 24/7 because, with a library card and a computer, smart phone or tablet, residents in the Carpinteria area can access and download research articles, eBooks, audio books, videos, and e-magazines.

Projections for year JULY 1, 2015 TO JUNE 30, 2016

Objective # 1:

To continue to provide quality services in a timely manner to residents who may otherwise not be able to afford the services.

Objective #2:

Provide literacy and pre-literacy services, such as story time and an annual summer reading program to support the educational needs of children and youth. Provide a place where students can receive assistance with their homework, access computers to help with that homework, check out age appropriate reading materials for free, and have a productive and safe place to go after school.

Objective #3:

Provide free access to the Internet by providing computers for residents and visitors. Visitors can rely on access at the library to investigate local attractions, book accommodations or travel plans and stay in touch with friends and families. Residents without access to home computers or printers can use those at the library. Anyone of any age who needs assistance to find information or services online receives that help at the library.
