

CITY OF SANTA BARBARA

COUNCIL AGENDA REPORT

AGENDA DATE: March 14, 2017

TO: Mayor and Councilmembers

FROM: Investigative/Internal Operations, Police Department

SUBJECT: Proposed Changes To Parking Violation Penalties And Related Fees

RECOMMENDATION:

That Council adopt, by reading of title only, a Resolution of the Council of the City of Santa Barbara Amending Resolution No. 16-044 Establishing Certain City Fees, Adjusting Parking Violation Penalties and Related Fees.

DISCUSSION:

The Police Department is requesting to add a total of six violations (and their accompanying penalties) and to remove one violation from the City's Parking Violation and Related Fees Schedule (see attachment).

Two of the added violations are from the Municipal Code, which are Section 10.44.152(h) for leaving a vehicle in excess of a period of seventy-two (72) consecutive hours in a municipally owned parking lot, and Section 10.44.220 for no oversized vehicle parking on a street. The penalty for 10.44.152(h) MC is seventy-eight dollars (\$78). The penalty for 10.44.220 MC is forty-eight dollars (\$48).

The other four proposed violations that would be added to the Fee Schedule are for violations of the California Vehicle Code ("CVC"). This request is in response to observations by Parking Enforcement of an increase in the abuse of disable parking placards and plates. The current Fee Schedule does not include these CVC violations; therefore, the expectation is that the penalties will serve as a deterrent for future violations being committed.

The four CVC sections proposed for inclusion in the Fee Schedule are: CVC Section 4461(c) for misuse of a disabled placard with a penalty of three hundred and fifty three dollars (\$353); CVC Section 4461(d) for misuse of a disabled license plate with a penalty of three hundred and fifty three dollars (\$353); CVC section 4463(c) for a forged, counterfeit of false disabled placard with a penalty of three hundred and fifty three dollars (\$353); and CVC Section 4464 for altered license plate with a penalty of forty eight dollars (\$48).

Also added to the Fee Schedule is an administrative dismissal fee for a correctable violation. This occurs in instances when the vehicle owner provides evidence that the violation was corrected. The administrative dismissal fee of ten dollars (\$10) is for a violation of CVC Sections 4464.

The violation to be removed from the Fee schedule is Municipal Code section 10.44.205, related to parking restrictions for recreational vehicles.

The Police Department does not anticipate that significant revenue would be generated by the addition of these violations to the Fee Schedule. Rather, the purpose of the additions is to provide the Department with the ability to enforce the violations.

PARKING VIOLATION PENALTIES AND RELATED FEES

Assembly Bill 408, effective July 1, 1993, amended the California Vehicle Code (Vehicle Code) to decriminalize parking tickets and to eliminate criminal court procedures for the enforcement of such violations, such that the issuance, collection and enforcement of parking or standing vehicle violations became a civil matter under the California Vehicle Code.

Section 40203.5 (a) of the Vehicle Code requires the City Council to establish a schedule of parking penalties for parking violations, late payment penalties, administrative fees, and other related charges for parking violations. It is the intent of the City of Santa Barbara that the penalties established herein shall reflect a reasonable and good faith effort to establish appropriate penalties.
