c/o Jake Jacobus
Santa Barbara City Planning Department

December 10, 2003

Dear Mr. Jacobus:

As a followup to our prior discussions, I would like to ask you on behalf of the Santa Barbara Landmarks Commission and the Santa Barbara City Planning Department to consider my house at 1732 Santa Barbara Street for landmark status.

The architectural heritage of our city is very important, and I would very much like to have my house secured by landmark status in perpetuity.

As discussed, I will be happy to help collect and disseminate to you any information regarding the house I can find.

Sincerely,

Brian P. Gregory
