Re: Chelsey Gonzales
Parks and Recreation Commission Intern

Dear Parks and Recreation Commissioners,

It is my pleasure to write this letter of recommendation for Chelsey Gonzales, a remarkable student athlete here at San Marcos High School. As you will see, Chelsey makes S.M.H.S. a better place due to her positive leadership and outstanding character.

Chelsey has maintained a 4.23 grade point average in academic classes through her first three years of high school. She is currently enrolled in the following challenging advanced placement classes; AP Micro and Macro Economics, AP Government and AP English Literature. In addition to these rigorous classes, Chelsey participates in our Leadership Class as well as competing for San Marcos on our Volleyball and Track and Field teams. Chelsey possesses the ability to challenge herself and be successful at all she does. She consistently exhibits a positive outlook and is always willing to help others. Her leadership and strong positive character both in the classroom and in the athletic arena, make Chelsey one of our top leaders on our campus. She can always be seen with a smile on her face, even in the most challenging situations.

It is my strong recommendation that Chelsey be selected to serve as a Youth Intern on the city's Commission for Youth and Children. She possesses an unlimited leadership capacity and when combined with her rich experiences and dedicated work ethic, make her a serious candidate for any leadership position. If you have any further questions, or if I can be of more assistance, please do not hesitate to contact me.

Sincerely,

Craig Morgan
Principal
