CITY OF SANTA BARBARA  
COM DEV ADMIN

Dear Mr. Casey:

The Department of Housing and Community Development (Department) is pleased to announce the City of Santa Barbara as a recipient of an additional 2010–11 Community Development Block Grant Program (CDBG), 2008 Disaster Recovery Initiative (DRI) Program award. Funding for the 2008 DRI Program is available pursuant to Title IV of the Robert T. Stafford Disaster Relief and Emergency Assistance Act (42 U.S.C.), as well as the Federal Housing and Community Development Act of 1974, as amended in 1981, which created the CDBG Program.

The primary objective of the DRI is to provide resources to eligible cities and counties in their efforts to recover from the 2008 wildfire disasters, helping them to create or rehabilitate decent affordable housing, public improvements, public facilities, and public services, and to expand economic opportunities for low- and moderate-income persons in their communities directly affected by the wildfire disasters.

This letter constitutes a conditional commitment of additional General Allocation DRI grant funds in the amount of \$2,392,985 to the previously awarded \$1,000,000, totaling \$3,392,985. Staff of the CDBG General Program will be contacting you shortly to initiate the process of preparing the Standard Agreement Amendment for fund distribution. Please note that no funds may be expended, nor any costs incurred, until the contract amendment is fully executed.

Again, congratulations for your successful application. For further information concerning this award, please contact Steven Marshall, State CDBG General Program Manager, at (916) 319-8410 or via email at [smarshall@hcd.ca.gov](mailto:smarshall@hcd.ca.gov) or Jay Cook, State CDBG Representative, at (916) 319-8136 or via email at [jcook@hcd.ca.gov](mailto:jcook@hcd.ca.gov).

Sincerely,
