

Santa Cruz Island Boat Trips

TRIP DATES: WEDNESDAY, JULY 6, 2015 & TUESDAY, JULY 19, 2015

Sign up by June 24, 2016!

About the Trip

The **Santa Barbara Junior Lifeguard Program** has chartered two trips for Junior Lifeguards and parents to make a day trip to Santa Cruz Island. The boat will anchor in a sheltered cove where passengers will spend the day exploring the ocean and seashore.

We will depart the Sea Landing at 6:30AM and return at 5:00PM. Sea Landing is located in the harbor adjacent to the sand at West Beach.

Bring a big lunch, swimsuit, towel and warm clothes. If you have a wetsuit, fins, mask, snorkel, or kayak, it is recommended that you bring these.

Two trips will be offered – **July 6 and July 19**. We anticipate the interest in the trip will exceed the capacity of the boat. Spots will be filled on a first come first served basis. If the trip's interest does not exceed available capacity, your first choice will be granted.

Fill out the form below and **turn it in before June 24**. We will make attempts to keep families together on trips, though this is not guaranteed. Parents, if your son or daughter is selected to go it does not guarantee you will go. This is also the case if both parents sign up. To increase your chances, feel free to sign up for both trips if your schedule permits. Non-Junior Lifeguard participants (siblings) are not permitted on trip.
