In accordance with state law requirements, this agenda generally contains only a brief general description of each item of business to be transacted or discussed at the meeting. Should you wish more detailed information regarding any particular agenda item, you are encouraged to obtain a copy of the Council Agenda Report (a "CAR") for that item from either the Clerk's Office, the Reference Desk at the City's Main Library, or online at the City's website (<http://www.SantaBarbaraCA.gov>). PUBLIC COMMENT: At the beginning of the 2:00 p.m. session of each regular City Council meeting, and at the beginning of each special City Council meeting, any member of the public may address the City Council concerning any item not on the Council's agenda. Any person wishing to make such address should first complete and deliver a "Request to Speak" form prior to the time that public comment is taken up by the City Council. Should City Council business continue into the evening session of a regular City Council meeting at 6:00 p.m., the City Council will allow any member of the public who did not address them during the 2:00 p.m. session to do so. The total amount of time for public comments will be 15 minutes, and no individual speaker may speak for more than 1 minute. The City Council, upon majority vote, may decline to hear a speaker on the grounds that the subject matter is beyond their jurisdiction.

A Consent Calendar item is open for discussion by the City Council upon request of a Councilmember, City staff, or member of the public. Items on the Consent Calendar may be approved by a single motion. Should you wish to comment on an item listed on the Consent Agenda, after turning in your "Request to Speak" form, you should come forward to speak at the time the Council considers the Consent Calendar.

ADJOURNMENT

CITY OF SANTA BARBARA

COUNCIL AGENDA REPORT

AGENDA DATE: August 27, 2010
TO: Mayor and Councilmembers
FROM: Airport Administration, Airport Department
SUBJECT: Airline Terminal Project

RECOMMENDATION:

That Council attend a tour of the Airline Terminal Project at 500 Fowler Road at the Santa Barbara Airport.

DISCUSSION:

The Airline Terminal Project construction began in May 2009 with temporary improvements that included relocation of short term parking and the terminal loop road, and securing the construction area for the soil stabilization work and to prepare for the building construction.

In July 2009, when the temporary improvements were completed, construction began on the new terminal building. That project is now about 30% complete and the new building is taking shape. The new building is scheduled for completion in April 2011.

After the new building is occupied, the next phase will be the relocation of the 1942 portion of the existing terminal. The 1942 terminal, built by United Airlines, will then be relocated to the new terminal site and rehabilitated. During this final phase the new short term parking lot and loop road will be completed, with project completion by December 2011.
