iSurf is focused on creating a safe, fun and rewarding environment for kids to learn to surf. If they already know how to surf this is an excellent opportunity to improve on what they know and to take their surfing to the next level. Our Instructors have been trained to give the kids the highest quality experience that will focus on reading ocean conditions, proper surfing techniques, and leaving them with goals to take away from each week of camp. All of our instructors are CPR and First Aid certified.
